Emergency Transfer Plan for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

Emergency Transfers

The SC State Housing Authority (the Authority) is concerned about the safety of its participants in the Housing Choice Voucher Program (HCVP), and such concern extends to participants who are victims of domestic violence, dating violence, sexual assault, or stalking. In accordance with the Violence Against Women Act (VAWA),¹ the Authority allows participants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the participant's current unit to another unit or request portability. The ability to request a transfer is available regardless of sex, gender identity, or sexual orientation.² The ability of the Authority to honor such request for participants currently receiving assistance, however, may depend upon a preliminary determination that the participant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.

This plan identifies participants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to participants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that the Authority is in compliance with VAWA.

Eligibility for Emergency Transfers

A participant who is a victim of domestic violence, dating violence, sexual assault, or stalking, as provided in HUD's regulations at 24 CFR part 5, subpart L is eligible for an emergency transfer, if: the participant reasonably believes that there is a threat of imminent harm from further violence if the participant remains within the same unit. If the participant is a victim of sexual assault, the participant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.

A participant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.

Participants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

¹ Despite the name of this law, VAWA protection is available to all victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

² Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

Emergency Transfer Request Documentation

To request an emergency transfer, the participant must submit a completed Form HUD-5383, Emergency Transfer Request for Certain Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking to SC State Housing Authority, Attn: Voucher Program, 300-C Outlet Pointe Blvd, Columbia, SC 29210. The form can be obtained at the Authority's office at the above address, the Authority's website at www.schousing.com/VAWA or requested by mail. The Authority will provide reasonable accommodations to this policy for individuals with disabilities.

Confidentiality

The Authority will keep confidential any information that the participant submits in requesting an emergency transfer, and information about the emergency transfer, unless the participant gives the Authority written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the participant, if one is obtained, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the participant. See the Notice of Occupancy Rights under the Violence Against Women Act For All Tenants for more information about the Authority's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

Emergency Transfer Timing and Availability

The Authority cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. The Authority however, will act as quickly as possible to assist a participant who is a victim of domestic violence, dating violence, sexual assault, or stalking in locating another unit and processing the move, or process a request for portability if requested by the participant. The Authority may be unable to transfer a participant to a particular unit if the participant does not qualify for that unit. At the participant's request, the Authority will also assist participants in contacting the local organizations offering assistance to victims of domestic violence, dating violence, sexual assault, or stalking that are attached to this plan.

Emergency Transfer Policies

Participants can request to move with continued assistance to any one of the seven counties that the Authority administers the HCVP in (Clarendon, Colleton, Dorchester, Fairfield, Kershaw, Lee and Lexington) or request portability to any PHA that administers the HCVP in accordance with Chapter 10 of the Authority's Administrative Plan.

When the victim and perpetrator are members of the same household, the Authority will ensure the assistance remains with the victim in accordance with the family break-up policy in Chapter 3 of the Authority's Administrative Plan.

Participants that move from the assisted unit without prior notification to the Authority or landlord due to their fear for personal health or safety of the victim must contact the Authority as soon as it is safe to do so. The participant will be required to provide any one of the acceptable forms of certification prior to receiving continued assistance.

Emergency Transfer Procedures

Upon receiving notification that a participant is a victim of domestic violence, dating violence, sexual assault or stalking, the Authority will immediately provide a copy of the Notice of Occupancy Rights to ensure the victim understands their rights and certification requirements. The Authority will inquire as to what the victim or family desires to do, move, port, and/or temporary shelter, and how to safely contact the family. The Authority will take actions based on the family's request.

If the family needs temporary shelter, the Authority will provide the family with the contact information for the domestic violence organization in their respective county and if needed assist them with making contact.

If the family requests an emergency transfer to another unit within the Authority's jurisdiction, the Authority will request the victim complete Form HUD-5283, Emergency Transfer Request. If additional verification is needed, the Authority will request in writing that the family provide either Form HUD-5382 or one of the other documents listed in the Notice of Occupancy Rights provided to the family. Once acceptable verification is obtained, the family will be issued a voucher and a Request for Tenancy Approval form and the Authority will assist the family, if needed, in finding a safe unit. Once a unit is located and the family deems the unit safe, the Authority will expedite processing the move to include determination of affordability, rent reasonableness, inspection and HAP contract execution.

If the emergency transfer request is to exercise portability, the Authority will request the victim complete Form HUD-5383, Emergency Transfer Request and provide the portability location. If additional verification is needed, the Authority will request in writing that the family provide either Form HUD-5382 or one of the other documents listed in the Notice of Occupancy Rights provided to the family. Once acceptable verification is obtained, the family will be issued a voucher and the portability request will be expedited in accordance with Chapter 10 of the Authority's Administrative Plan.

If the family has moved from the assisted unit due to their fear for personal health or safety without prior notification to the Authority or landlord, the Authority will request the victim complete Form HUD-5382 or provide one of the other documents listed in the Notice of Occupancy Rights provided to the family. Once acceptable verification is received, the Authority will process the family's request to either move to another unit with the Authority's jurisdiction of exercise portability as stated above.

If the perpetrator is a member of the assisted household, the Authority will ensure the victim and any remaining household members retain the assistance in accordance with the Family Break-up policy in Chapter 3 or in the absence of another adult, the policy on Caretakers for a Child in Chapter 3 of the Authority's Administrative Plan. In the event the perpetrator is the head of household, after receiving acceptable verification as stated above, the Authority will issue a voucher to the remaining adult member and assist with an emergency transfer or portability as stated above. Once it is safe to do so the Authority will proceed with termination of the assistance to the perpetrator in accordance with Chapter 12 of the Authority's Administrative Plan.

Safety and Security of Tenants

Pending processing of the transfer and the actual transfer, the participant is urged to take all reasonable precautions to be safe.

**EMERGENCY TRANSFER
REQUEST FOR CERTAIN
VICTIMS OF DOMESTIC
VIOLENCE, DATING VIOLENCE,
SEXUAL ASSAULT, OR STALKING**

**U.S. Department of Housing
and Urban Development**

OMB Approval No. 2577-0286
Exp. 06/30/2017

Purpose of Form: If you are a victim of domestic violence, dating violence, sexual assault, or stalking, and you are seeking an emergency transfer, you may use this form to request an emergency transfer and certify that you meet the requirements of eligibility for an emergency transfer under the Violence Against Women Act (VAWA). Although the statutory name references women, VAWA rights and protections apply to all victims of domestic violence, dating violence, sexual assault or stalking. Using this form does not necessarily mean that you will receive an emergency transfer. See your housing provider's emergency transfer plan for more information about the availability of emergency transfers.

The requirements you must meet are:

(1) You are a victim of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation. In response, you may submit Form HUD-5382, or any one of the other types of documentation listed on that Form.

(2) You expressly request the emergency transfer. Submission of this form confirms that you have expressly requested a transfer. Your housing provider may choose to require that you submit this form, or may accept another written or oral request. Please see your housing provider's emergency transfer plan for more details.

(3) You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you submit this form or otherwise expressly request the transfer.

Submission of Documentation: If you have third-party documentation that demonstrates why you are eligible for an emergency transfer, you should submit that documentation to your housing provider if it is safe for you to do so. Examples of third party documentation include, but are not limited to: a letter or other documentation from a victim service provider, social worker, legal assistance provider, pastoral counselor, mental health provider, or other professional from whom you have sought assistance; a current restraining order; a recent court order or other court records; a law enforcement report or records; communication records from the perpetrator of the violence or family members or friends of the perpetrator of the violence, including emails, voicemails, text messages, and social media posts.

Confidentiality: All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking, and concerning your request for an emergency transfer shall be kept confidential. Such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections or an

emergency transfer to you. Such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.
